

# Welcome to Manzanita Campground

## DAILY FEE REQUIRED INSTRUCTIONS

**1** Occupy campsite, note number, return within 30 minutes.

**2** Fill out envelope and enclose fee.

**3** Detach stub and deposit envelope in fee box.

**4** Display detached stub on site post.

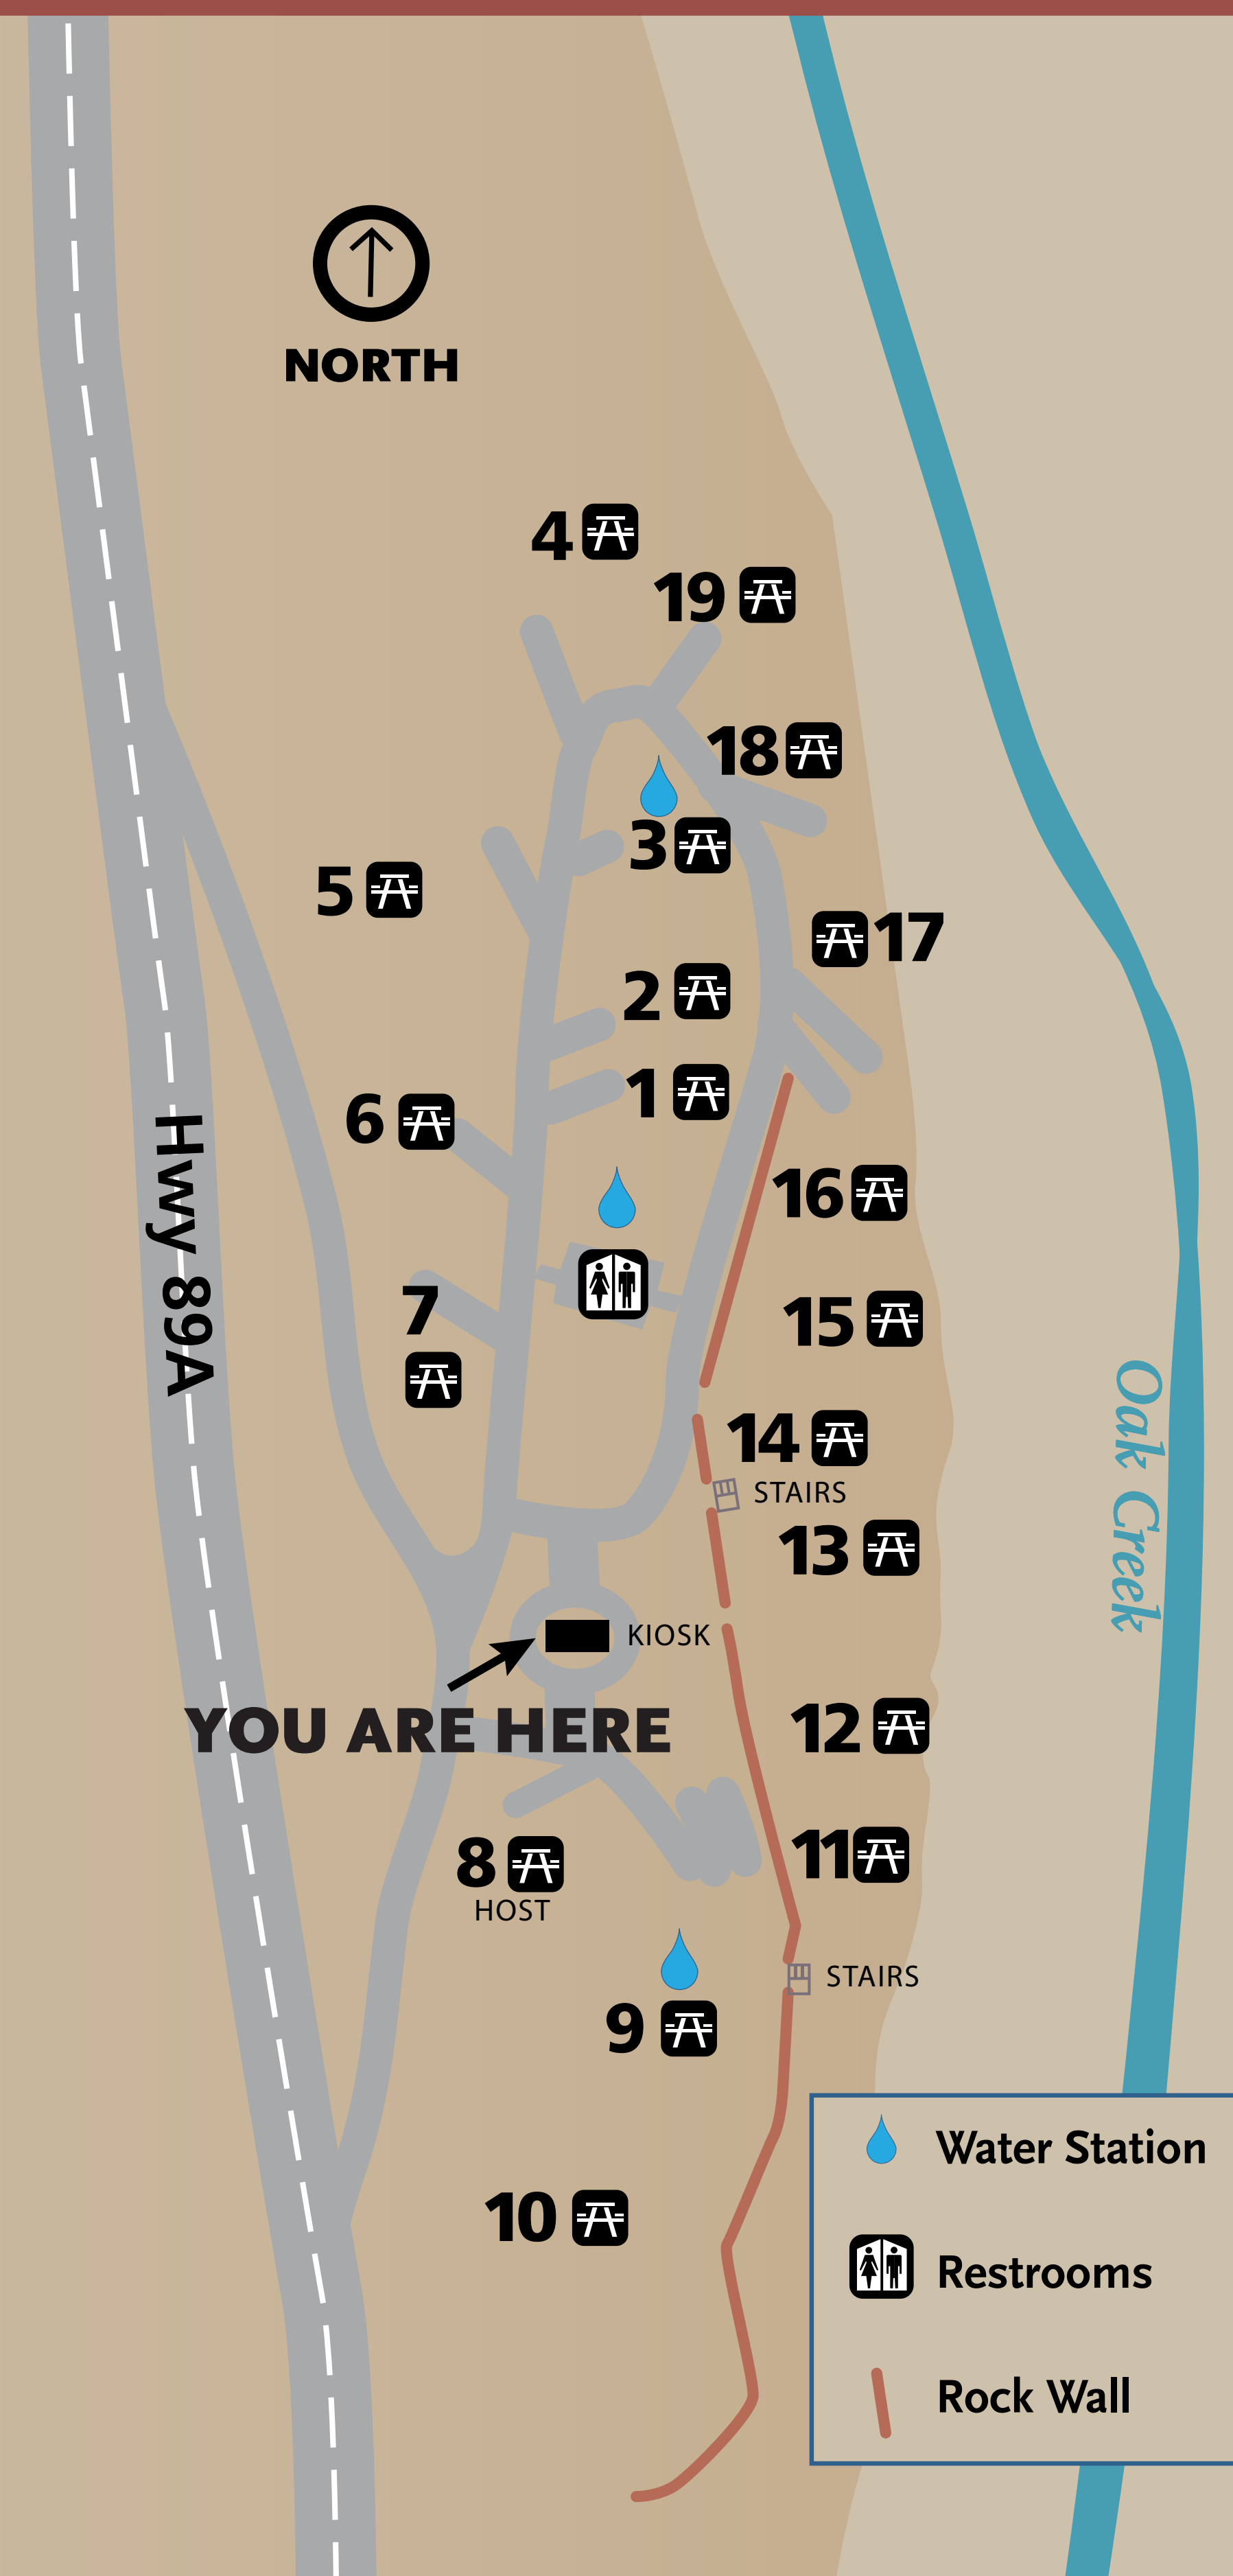

# \$ 22 PER SITE

Tent camping only. No RVs. No trailers.

Pay fee within 30 minutes of arrival.

Check-in time is 2 p.m. / Check-out time is 1 p.m.

Maximum 8 people per campsite.

### Campsite Selection:

Sites are either reservation only or first-come, first-served. For sites requiring a reservation, visit [www.recreation.gov](http://www.recreation.gov) or call (877) 444-6777. For general campground information, see the camp host or call the Red Rock Ranger Station at (928) 203-2900.

### Price Discounts:

Senior and Access Interagency Pass holders receive a 50% discount on single-site camping fees. Accepted Passes: Senior Annual, Senior Lifetime, Golden Age, Access, and Golden Access.

- Overnight camping only—no day use
- Keep pets on leash—do not leave pets unattended
- Campsite must be occupied first night
- Build fires in designated fire rings. All firewood must fit within fire ring.
- Campsite cannot be unattended over 24 hours
- Do not leave campfires unattended. Extinguish fires—if it's too hot to touch, it's too hot to leave.
- Only one vehicle or two motorcycles per campsite. All vehicles must be in designated parking areas—no off-road parking.
- Do not nail objects to trees or carve into bark. Do not saw branches or cut down trees
- All tents and equipment must be located within designated site
- Wash and clean personal items at campsite only (not at water stations).
- Quiet hours are 10 p.m. to 6 a.m.
- No radios or amplified devices
- Glass containers not permitted outside campground
- No fireworks

## Leave No Trace - Sin Dejar Huellas

**Know Before You Go.** Plan ahead for your trek. Be sure you are physically fit for the trip you have chosen and you know your route. Pack appropriately for the weather and take plenty of water.

**Prepárese antes de salir de casa.** Planifique su excursión por adelantado. Asegúrese de conocer su ruta y estar en buenas condiciones físicas para recorrer el trayecto elegido. Lleve suficiente agua y empaque ropa apropiada dependiendo del clima.

**Stick To Trails.** Prevent erosion and avoid damaging sensitive plants and organisms by staying on designated trails.

**Camine por los senderos marcados.** Prevenga la erosión y evite dañar plantas y organismos delicados manteniéndose en los senderos señalados.

**Trash Your Trash.** Dispose of any trash properly. Even "natural" waste, such as apple cores and orange peels, should be carried out. Pick up after your pet; thousands of pounds of dog feces contribute to *E. coli* bacteria in Oak Creek each year.

**Utilice los basureros.** Deseche la basura apropiadamente. Llévase con usted todos los desechos orgánicos como corazones de manzana y cáscaras de naranja. Recoja los desechos de su mascota; miles de libras de heces caninas contribuyen a las bacterias *E. coli* en Oak Creek cada año.

**Leave It As You Find It.** Leave plants, rocks, animals, and artifacts where you find them so that others can enjoy the discovery as well. Downed wood is habitat, not firewood.

**Déjelo tal como lo encontró.** Deje plantas, rocas, animales y artefactos donde los encontró para que otros visitantes puedan disfrutarlos también. Las ramas de árboles caídas no son leña; son parte del hábitat.

**Keep Wildlife Wild.** Observe from a distance. Never feed wild animals or throw rocks or other objects at them.

**Permita que los animales salvajes se mantengan salvajes.** Observe los animales salvajes a prudente distancia. Nunca alimente los animales salvajes ni tire rocas ni otros objetos.

**Be Considerate of Other Visitors.** Let nature's sounds prevail. Avoid speaking loudly or making noise.

**Sea considerado con otros visitantes.** Evite hablar en voz alta o hacer ruido. Deje que prevalezcan los sonidos de la naturaleza.

Narrow-headed Gartersnake

### Home to a Rare Snake

The nonvenomous **narrow-headed gartersnake** lives near the water where it hunts small fish. Oak Creek Canyon is home to one of the last populations of this snake in Arizona. It is against the law to harass, handle, hurt, or kill this rare reptile. Stay on designated trails to avoid harming its streamside habitat

### El Hogar de Una Culebra Poco Común

La **culebra garter de cabeza angosta** ("narrow-headed gartersnake" en inglés) no es venenosa y vive cerca del agua donde caza peces pequeños. El Cañón Oak Creek es el hogar de una de las últimas poblaciones de esta culebra en Arizona. Es contra la ley molestar, recoger, herir o matar este réptil poco común. Manténgase en los senderos señalados para no dañar su hábitat ribereño.
